

# Metropolitan Sewerage District

---

## OF BUNCOMBE COUNTY, NORTH CAROLINA

### **NOTICE OF CONSTRUCTION**

### **COMMERCE STREET SANITARY SEWER REHABILITATION**

This notice is provided to inform you that the Metropolitan Sewerage District (MSD) will be replacing approximately 530 linear feet of the existing public sewer line along Commerce Street in Asheville near your business or residence. This work is necessary due to problems that have been experienced with the subject sewer line.

The approximate location for the sewer project is noted in red on the attached map. Work on the sewer project is expected to begin mid July 2017. The work will include replacement of the existing sewer main in approximately the same location with new 8-inch pipe and re-connection of the existing service lines from adjacent structures to the new main. The work will be accomplished via excavation along Commerce Street, necessitating closure of the street to traffic during the duration of the work.

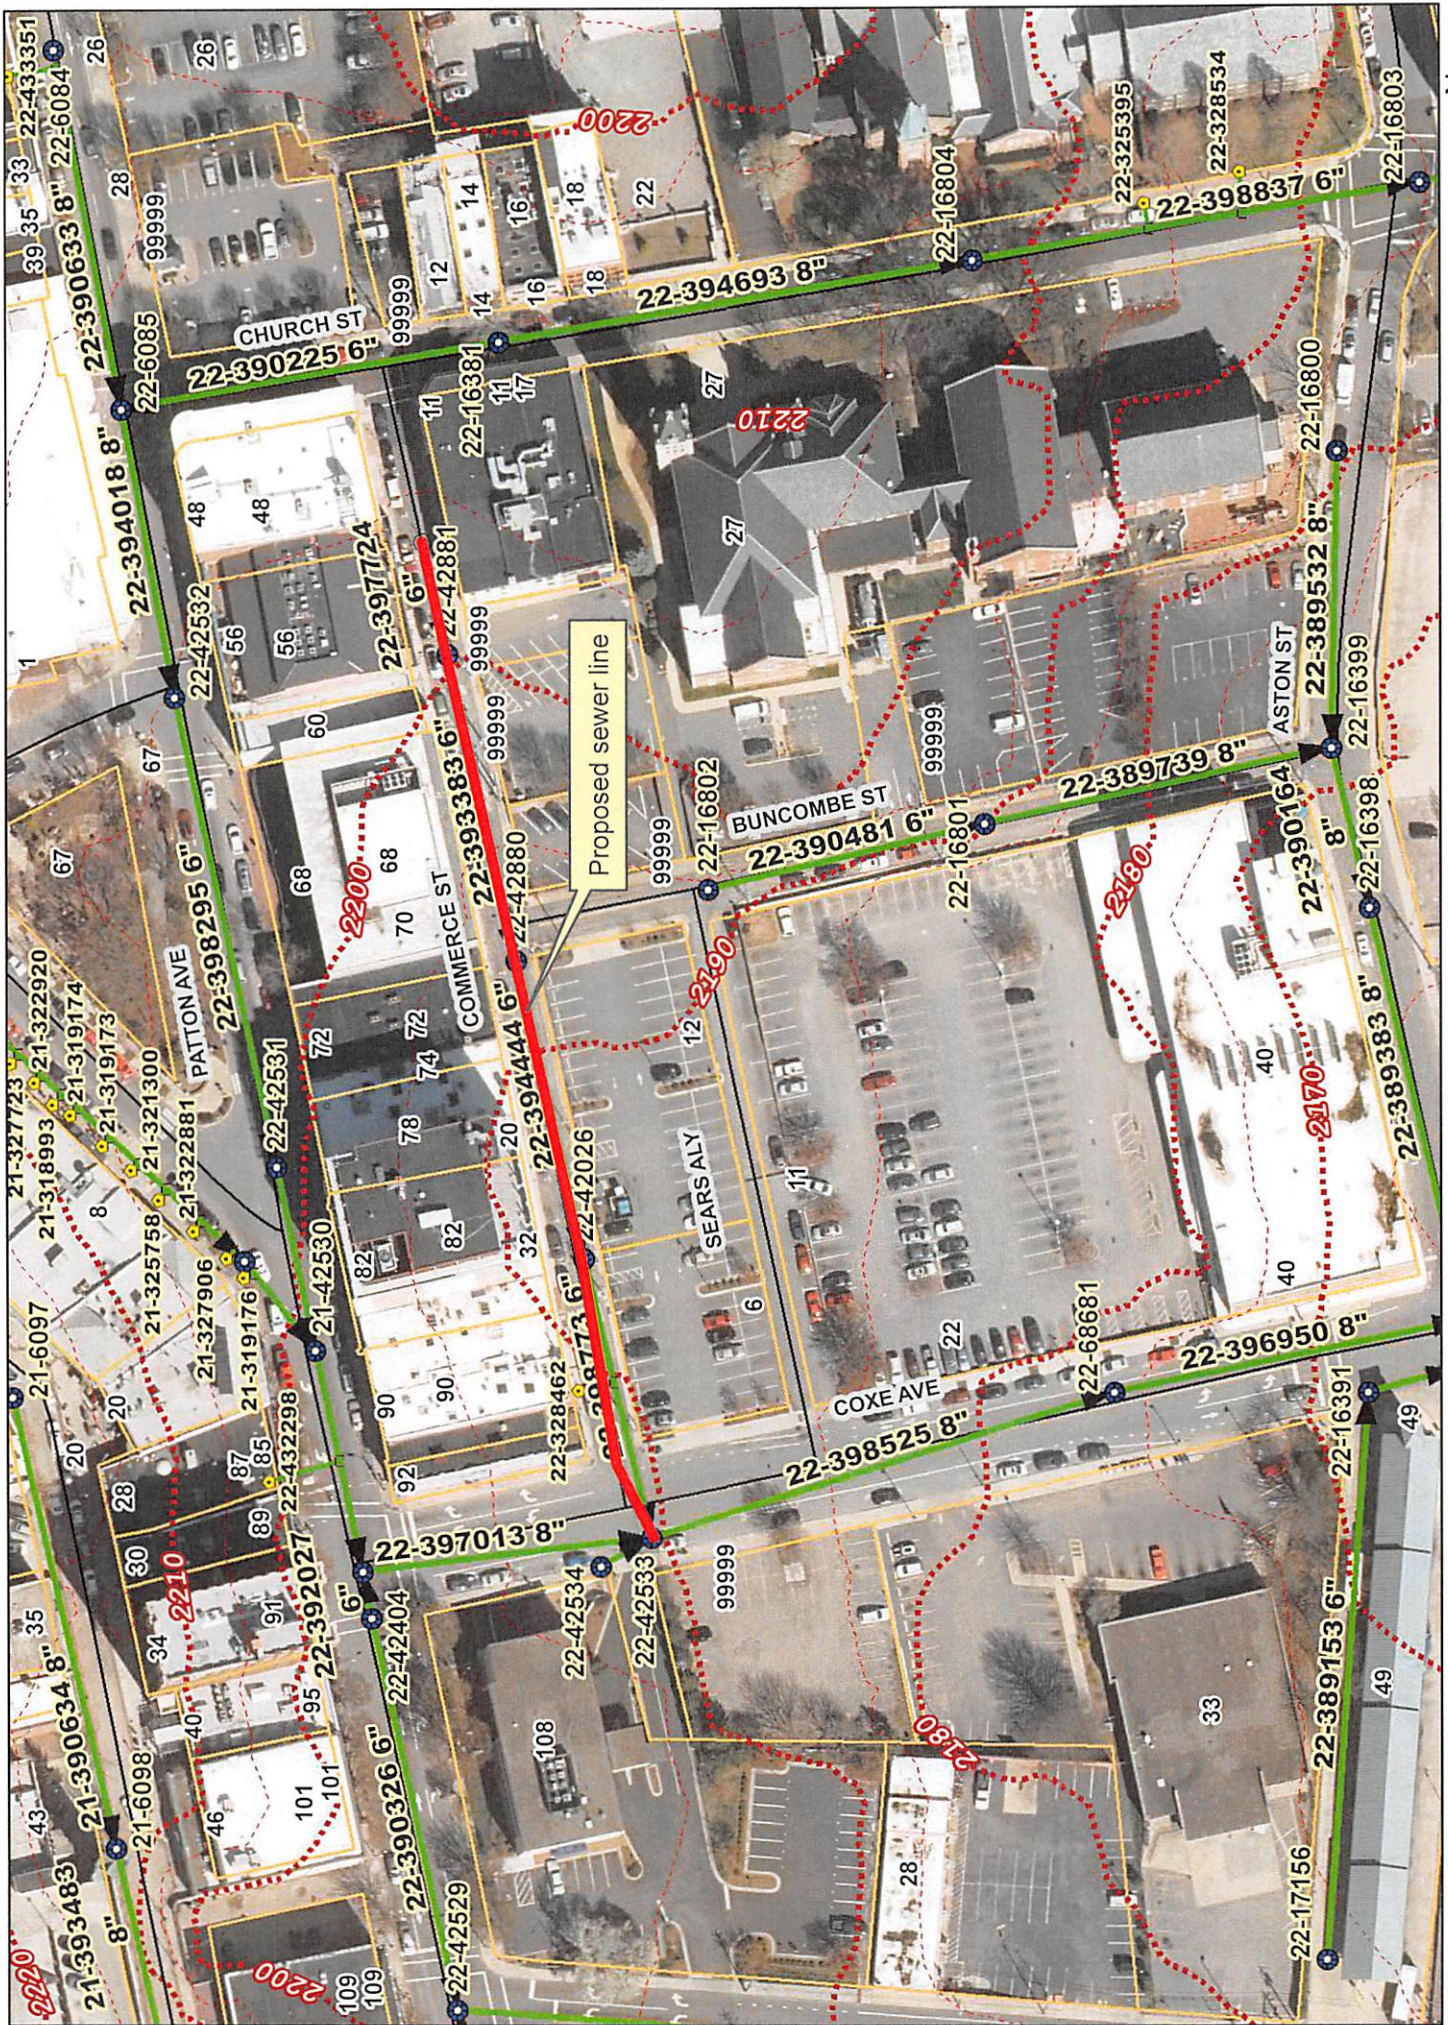

MSD will be contracting with Terry Brothers Construction Company, Inc. to perform this construction. Terry Brothers Construction Company, Inc. will make the inconvenience to you as minimal as possible and will proceed with the work tasks in a timely manner. The anticipated work time is three (3) weeks, depending on weather and other factors. After MSD's work is complete, all areas affected will be restored.

If you have any questions, please feel free to contact one of the following:

- Shaun Armistead (MSD Project Engineer) at 828-225-8269
- Mike Stamey (MSD Construction Division Director) at 828-768-2605
- Mike Presley (MSD Construction Inspector) at 828-768-0204

Thank you for your patience while we work to improve sewer service in your area.
