

# Metropolitan Sewerage District

---

OF BUNCOMBE COUNTY, NORTH CAROLINA

## **SULPHUR SPRINGS ROAD AT BELMONT AVENUE SANITARY SEWER REHABILITATION CONSTRUCTION NOTICE**

This notice is provided to inform you that the Metropolitan Sewerage District (MSD) will be replacing approximately 2,000 linear feet of the existing public sewer line near your residence and/or property, which includes Sulphur Springs Road, Belmont Avenue, Covington Street and Clinton Avenue. This work is necessary due to problems that have been experienced with the subject sewer line, and the work will be done in conjunction with the City of Asheville Stormwater project scheduled for later this year.

The approximate location for the sewer construction is noted in red on the attached map. Work on the sewer construction is expected to begin on or near Monday, May 10, 2021. The work will include the replacement of the existing sewer main with new sewer main piping and re-connection of the existing service lines from adjacent structures to the new main.

The MSD construction crew performing this work will make the inconvenience to you as minimal as possible and will proceed with the work tasks in a timely manner. The anticipated work completion date is July 1, 2021, depending on weather and other factors. After MSD's work is complete, all areas affected will be restored.

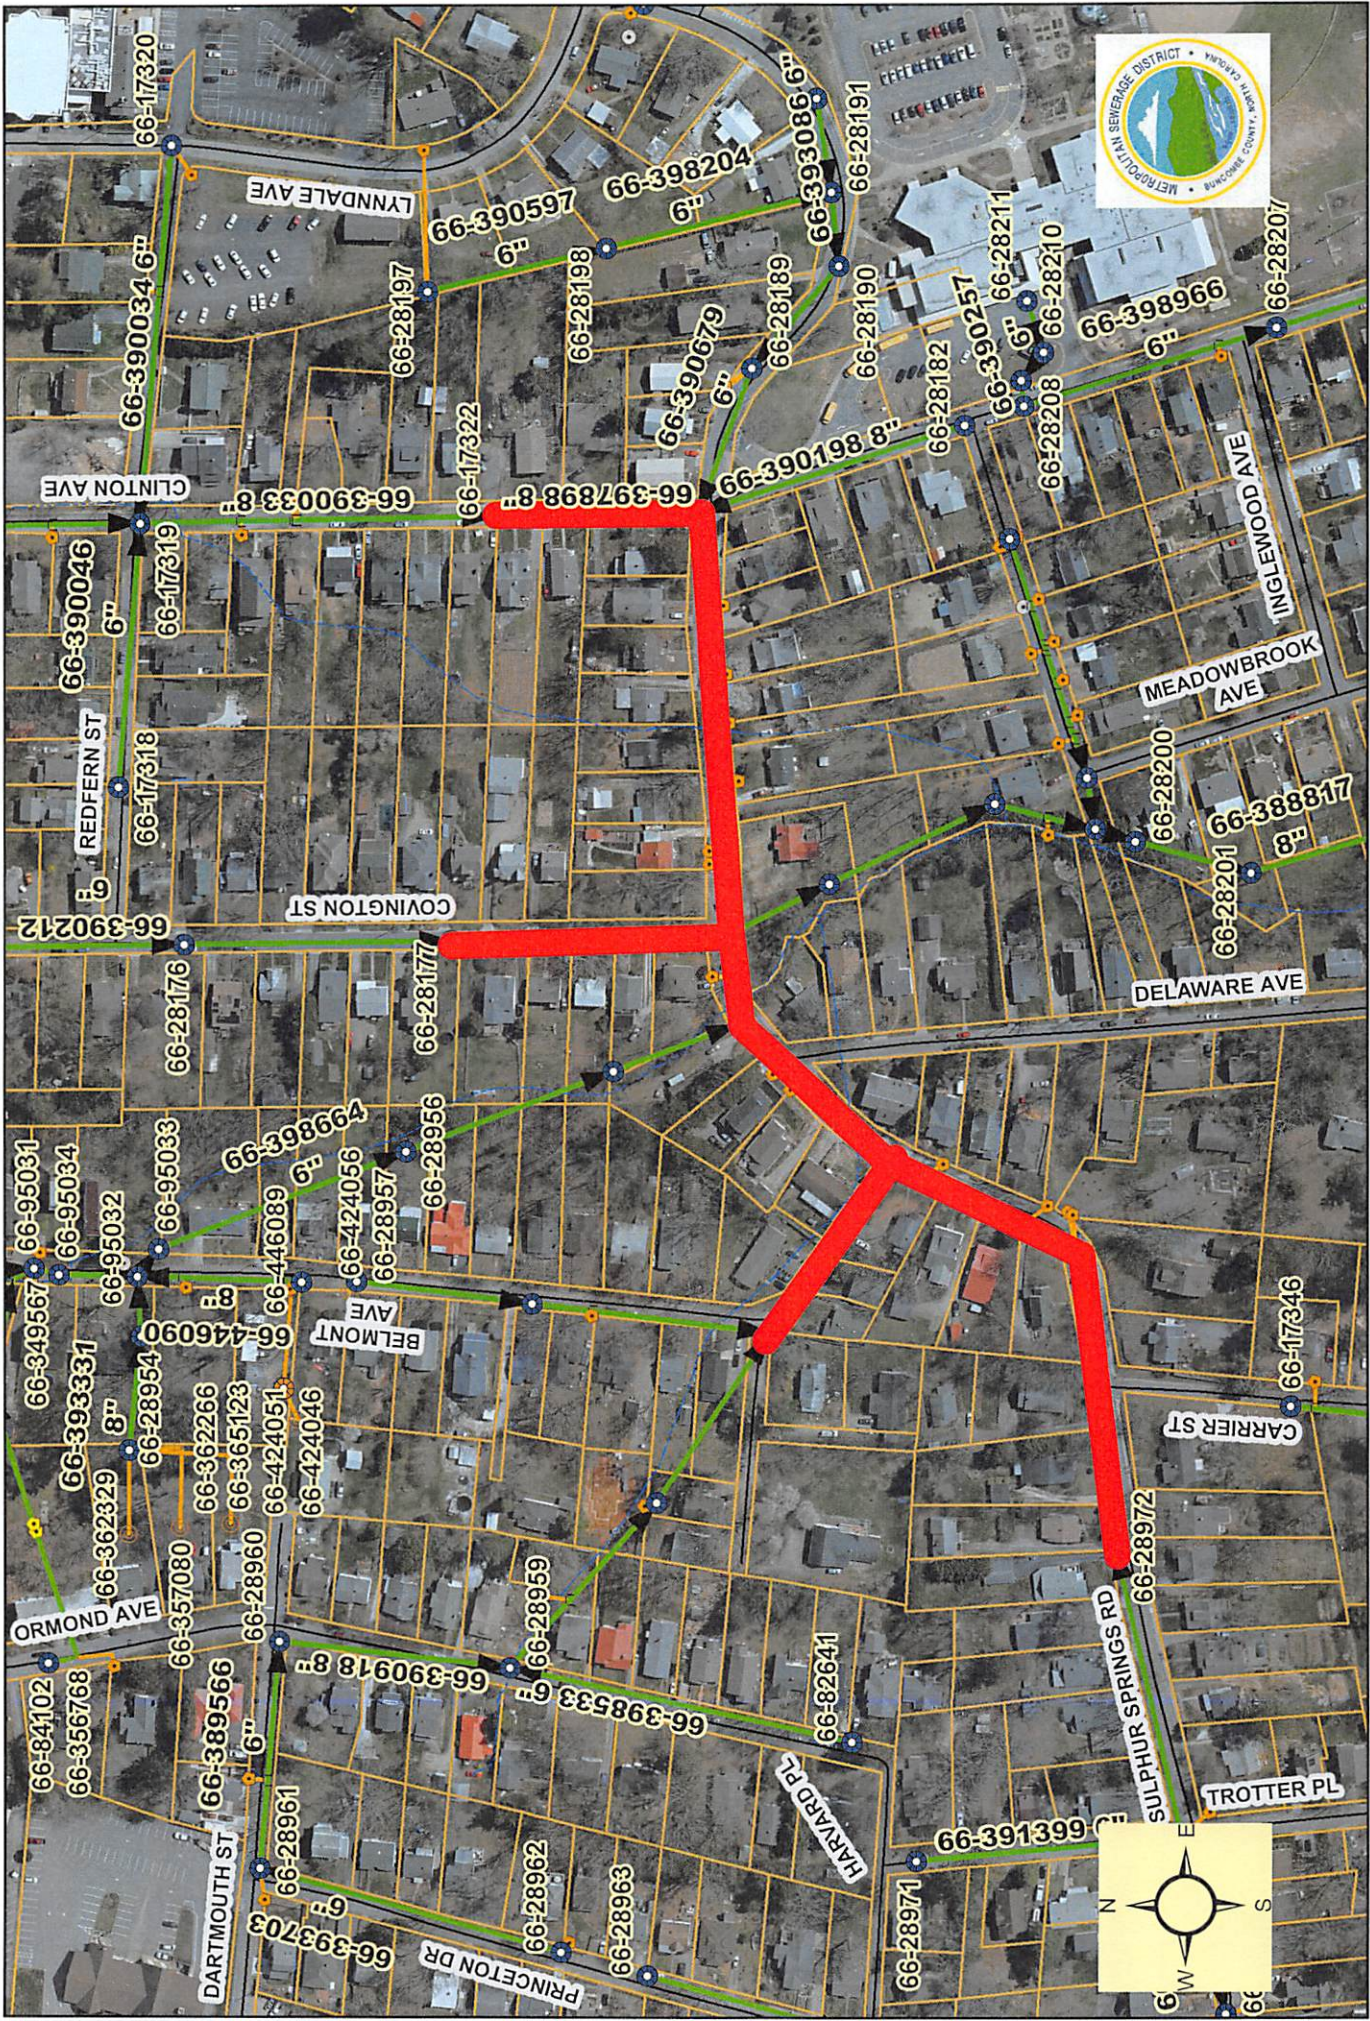

If you have any questions, please feel free to contact one of the following:

- R.L. Haynes (MSD Assistant Director of Construction) at 828-284-7804
- Doug Dockery (MSD System Services Construction Crew Leader) at 828-337-9829

Thank you for your patience while we work to improve sewer service in your area.
