GENERAL PERMIT CONDITIONS

- A Permit issued in response to this Application is subject to all applicable provisions of the Sewer Use Ordinance of Metropolitan Sewerage District of Buncombe County (MSD), NPDES No. NC0024911 for the operation of the Metropolitan Wastewater Treatment Plant by MSD and all applicable State and Federal Regulations.
- A Permit issued in response to this Application is required for construction and operation of any industrial or commercial Wastewater pretreatment facilities and/or continued operation of existing wastewater pretreatment facilities.
- A Permit issued in response to this Application and all reports or information submitted pursuant to the requirements of such Permit must be signed and certified by an authorized representative of the user.
- The provisions of a Permit issued in response to this Application are severable and, if any provision of such Permit or the Application of any provision of such Permit to any circumstances is held invalid, the Application of such provision to other circumstances and the remainder of such Permit shall not be affected thereby.
- Notice is hereby given that any and all significant violations of provisions of the Sewer Ordinance of MSD by the User of a Permit issued in response to this Application or any other Users of the MSD Sewerage System and a list of resulting Enforcement actions taken by MSD will be published each year in the local newspaper. For the purpose of this Section, a "significant violation" shall be as defined in Subsection 1.03.64 of the Sewer Use Ordinance of MSD.
