Re: Job Opening for Construction Safety Manager, Human Resources Division

The Metropolitan Sewerage District of Buncombe County (MSDBC) is looking for a “Safety Manager” with significant experience applying Construction Safety (CFR 1926) standards to “in-dirt” work. In ground sewer line placement, pumps, and various rotating equipment.

The job is “boots on the ground”. The ideal candidate will be a hands-on Safety professional with at least 5+ years of experience in administering Safety and Environmental Health programs in NC; additional requirements include:

- Leadership skills in championing a collaborative program
- Worker’s Compensation administration
- Significant experience in developing and delivering training programs to include HazCom, PPE, Confined Space, Lockout/ Tagout, Trench Safety, Respirator use etc.
- Experience with OSHA field inspections

Requires:

BS degree in a Safety related field, or equivalent training and experience, Certified OSHA 10-Hour Instructor, Prefer: NCMESH Certification, ASP or CSP Certification, ISO Lead Auditor Training, Position reports to the Human Resources Director

EXEMPT, LG 29

Minimum pay \$45,424, Salary depends on experience

Open until filled

Interested candidates will find more information at our website: www.msdbc.org

Submit resumes to pthomas@msdbc.org
