**Date:** 07/12/2024

**To:** Internal/External Applicants

**From:** Meredith Troughton, HR

**Re:** Job Opening for Engineering Support Technician

---

This posting is for an Engineering Support Technician currently open in the Engineering Division. Qualified applicants are encouraged to apply.

This position is open until filled. Hiring range of \$27.63 (min) - \$33.86 (mid). Pay will depend on the selected candidate's experience.

## **JOB DUTIES:**

Under general supervision, reviews and inspects plans and sewerage systems for compliance with engineering standards. Work involves planning, organizing, and performing various technical tasks related to new allocations and connections to the district sewer system. Work also involves overseeing and reviewing the work of professional, technical, and other individuals who require District approval or assistance in sewerage problems and construction associated with sewer connections and extensions. The employee is expected to identify and resolve complex administrative and technical problems associated with the engineering function. Considerable independent judgment and initiative are required in carrying out work assignments. Reports to the Planning and Development Manager.

## **MINIMUM TRAINING AND EXPERIENCE**

- Associate's degree in civil engineering with 1 to 2 years of experience in engineering design, construction, construction observation, or related work; or any equivalent combination of training and experience that provides the required skills, knowledge, and abilities.
- Possession of a valid North Carolina driver's license.

## **PREFERED QUALIFICATIONS**

- Engineering Intern Certification

Interested candidates can apply online at <http://www.msdbc.org/careers.php> and can find more information at our website: [www.msdbc.org](http://www.msdbc.org). Resumes may also be submitted to [mtroughton@msdbc.org](mailto:mtroughton@msdbc.org)

MSDBC is an Equal Opportunity Employer. Best of luck to all applicants.
