Re: Job Opening for Fleet Mechanic, Finance Division

Qualified applicants are encouraged to apply for the Fleet Mechanic position currently open in the Finance Division. August 17, 2022 marks the closing date.

Pay is dependent upon experience; the preferred hiring range is $23.28-28.53/ hr.

The Metropolitan Sewerage District (MSD) is looking for an experienced **Fleet Maintenance Mechanic** who wants a stable career as a Fleet Mechanic. Scope of work will include extensive diesel engine maintenance, repair, troubleshooting with vehicle or engine-specific software, and electrical diagnostics with schematics. The majority of work is with Cummins engines. Examples of other diesel engines to be maintained and repaired include John Deere, Perkins, CAT, and Kubota. Vehicles and equipment range from Class 8 trucks (Class A CDL), fleet vehicles (Class C gas and diesel), backhoes, excavators (9000 to 43000 lbs.), track loaders, tractors with implement attachments, and an assortment of smaller construction and sewer cleaning equipment. The best-qualified person will have experience with brakes (air & hydraulic), hydraulic/ pneumatics, vehicle & trailer electrical wiring, electronic troubleshooting, computer diagnostics, and software skills are required.

The position requires graduation from high school and 10 or more years of experience in the maintenance of diesel engine-powered equipment; or any equivalent combination of training and experience which provides the required skills, knowledge, and abilities.

Applicants should complete an application online at www.msdbc.org and submit a letter of interest, resume, and list of training certifications to Meredith Troughton at mtroughton@msdbc.org
