ELK MOUNTAIN PLACE SANITARY SEWER REHABILITATION

This notice is provided to inform you that the Metropolitan Sewerage District (MSD) has hired a contractor (Terry Brothers Construction) to replace approximately 4,137 linear feet of the existing public sewer line, Elk Mountain Place. This work is necessary due to problems that have been experienced with the subject sewer line.

The approximate location for the sewer project is noted in red on the attached map. Work on the sewer project is expected to begin on or near November 18, 2024. The work will include the replacement of the existing sewer main with new pipe, and re-connection of the existing service lines from adjacent structures to the mainline.

The construction crew performing this work will make the inconvenience to you as minimal as possible and will proceed with the work tasks in a timely manner. The anticipated work time is 270 consecutive calendar days depending on weather and other factors. After the work is complete, all areas affected will be restored.

If you have any questions, please feel free to contact one of the following:

- Ben Nisbeth (MSD Inspector) 828-776-1857
- Mike Presley (MSD Inspections Manager) 828-768-0204

Thank you for your patience while we work to improve sewer service in your area.
