PERMIT NUMBER \_\_\_\_\_

Persuant to the Sewer Use Ordinance of the Metropolitan Sewerage District of Buncombe County, North Carolina (MSD), All persons who are users or may become users of the sewerage systems are subject to regulation. Some of the objectives of our Ordinance and this application are :

To prevent the introduction of pollutants into the sewerage system which will interfere with the operation of the sewerage System or contaminate the resulting sludge generated;

To prevent the introduction of pollutants into the Sewerage System which will pass through the system, inadequately treated, into any waters of the State or otherwise be incompatible with the Sewerage System;

To provide for the regulation of contributors to the Sewerage System , through the issuance of permits and through enforcement of general requirements, authorizes monitoring and enforcement activities, requires User reporting and provides for the setting of fees for the equitable distribution of costs.

**11. GENERAL PERMIT CONDITIONS**

- a. A Permit issued in response to this Application is subject to all applicable provisions of the Sewer Use Ordinance of MSD, NPDES No. NC0024911 for the operation of the Metropolitan Wastewater Treatment Plant by MSD and all applicable State and Federal Regulations.
- b. A Permit issued in response to this Application is required for construction and operation of any industrial or commercial Wastewater pretreatment facilities and/or continued operation of existing wastewater pretreatment facilities.
- c. A Permit issued in response to this Application and all reports or information submitted pursuant to the requirements of such Permit must be signed and certified by an authorized representative of the user.
- d. The provisions of a Permit issued in response to this Application are severable and, if any provision of such Permit or the Application of any provision of such Permit to any circumstances is held invalid, the Application of such provision to other circumstances and the remainder of such Permit shall not be affected thereby.
- e. Notice is hereby given that any and all significant violations of provisions of the Sewer Ordinance of MSD by the User of a Permit issued in response to this Application or any other Users of the MSD Sewerage System and a list of resulting Enforcement actions taken by MSD will be published each year in the local newspaper. For the purpose of this Section, a “significant violation” shall be as defined in Subsection 1.03.64 of the Sewer Use Ordinance of MSD.
