

OWNER'S AGREEMENT

PROJECT NAME: _____

PROJECT LOCATION: _____

MSD PROJECT #: _____

ALLOCATION #: _____

PIN#: _____

NOTE: This agreement must be executed and returned to MSD as part of the plan submittal package. Plan approval will not be issued until a fully executed agreement is on file with the Planning and Development/Engineering department as part of the project file. Copies of all correspondence will be forward to the party signing this agreement.

I _____, hereby certify that I am the project owner and the party contractually obligated for all costs associated with installation of the sewer system. This includes the acquisition of any and all on-site and off-site sewer easements that may be required and all other required documentation to complete sewer system transfer to MSD. Construction of and documentation for said sewer system will be provided in accordance with prevailing MSD standards and specifications for developer constructed sewer systems. Issuance of building permits for this project will require evidence of approval by MSD. **A certificate of occupancy will not be issued until the following MSD requirements have been satisfied.**

1. Record/As-built drawings
2. Easement/System conveyance documents
3. Engineer's certification
4. Contractor's certification
5. MSD inspection approval

By my signature below, I acknowledge and agree to the terms outlined in this Owner's Agreement.
