

# Job Opening

**Date:** 4/1/2026  
**To:** Internal/External Applicants  
**From:** Derrick Swing, HR  
**Re:** Job Opening for Construction Inspector, System Services Division

---

Qualified applicants are encouraged to apply for the Construction Inspector position currently open in the System Services Division. This position will remain open until filled.

Hiring range \$ 53,523.13(min) - \$65,592.80 (mid), salary will depend on qualifications and experience.

## **GENERAL STATEMENT OF DUTIES**

Under general supervision, this employee performs technical work in the inspection of sanitary sewers and related facilities to enforce District standards for new construction and the rehabilitation of existing structures concerning the sewerage district. The employee performs and assists in construction inspection and construction phases. The employee reviews and studies plan and specifications to stay abreast of all changes and is required to exercise independent judgment in applying standards to a variety of work situations. Reports to the Lead Construction Inspector.

## **MINIMUM TRAINING AND EXPERIENCE**

- Associate degree in Civil Engineering Design or an Associate degree in General Construction. *(A combination of training and experience that provides the required skills, knowledge, and abilities to perform job tasks may be substituted for educational requirements.)*
- 1-2 years of experience in sanitary/heavy utility construction and inspection, applying the knowledge of approved practices, material and equipment, and Federal, State, and local safety rules and regulations.
- Possession of a valid driver's license issued by the State of North Carolina.
