Re: Job Opening for Engineer in Training, Engineering Division

Qualified applicants are encouraged to apply for the Engineer in Training position currently open in the Engineering Division.

This position will remain open until January 30th.

Salary depends on qualifications and experience.

Hiring range \$70,227.57 (Min) to \$86,063.99 (Mid)

GENERAL STATEMENT OF DUTIES

The Engineer in Training position will perform entry level engineering duties in the planning, design, analysis, construction, and inspection of municipal wastewater infrastructure projects. The position will assist with plans and cost estimates, prepare detailed working drawings, and assist in regulatory compliance efforts. The role will have the opportunity to work with a team of licensed professional engineers and will report directly to the Director of Engineering. They must also exercise considerable tact and courtesy with property owners, residents, vendors, various governmental agencies, and the public.

MINIMUM TRAINING AND EXPERIENCE

- Bachelor's degree in civil or environmental engineering; or any equivalent combination of training and experience that provides the required skills, knowledge and abilities.
- NC Driver's License

PREFERRED CERTIFICATIONS

- Fundamentals of Engineering certificate or ability to obtain within 6 months of hire

Interested candidates can apply online at <https://www.msdbc.org/careers.php>. **Please note that all applicants will be required to submit a resume in addition to an application.**

MSDBC is an Equal Opportunity Employer.
