Re: Job Opening for WWTP **Night Shift Lead Operator**

This posting is for a **Night Shift Lead Operator** position currently open in the WWTP Division. Qualified applicants are encouraged to apply. This position is open until filled.

Hiring range of \$30.79 (min) - \$37.74 (mid).

Operators will work a biweekly shift of Wednesday through Saturday 6pm to 5am for the first week. Then Thursday through Saturday 5pm to 5am for the second week.

JOB DUTIES:

Under general supervision, performs responsible technical work and leadership in the operation and minor maintenance of equipment at the wastewater treatment plant on an assigned shift for the Metropolitan Sewerage District of Buncombe County. Work involves the operation of any & all equipment at the treatment Plant; Provides leadership, guidance and training to other less experienced Operators; Motivates staff to improve their technical skills, productivity and efficiency; Work involves leading other Operators to operate and maintain the plant efficiently; collecting and testing water samples from plant systems, and controlling mechanical, electrical, and chemical equipment involved in pumping and/or treating wastewater. The employee is also responsible for making adjustments and repairs to equipment as required; independent judgment and initiative are required based on training and experience in making decisions and coordinating the proper operation of equipment. Employee must also exercise tact and courtesy in frequent contact with plant personnel—reports to the WWTP Operations Manager.

MINIMUM TRAINING AND EXPERIENCE

- Graduation from a two- or four-year college or university with a science-based degree.
- Supervisory experience in WWTP operation and mechanical repair work; or any equivalent combination of training and experience that provides the required skills, knowledge, and abilities.
- Must possess a valid NC Biological Grade IV operator's license or have the ability to obtain it within 6 months of the date of hire.
- Requires a valid North Carolina Driver's license.
- Minimum of 3 years' experience at a Grade II or higher WWTP.

Additional Information: The Lead Operator is responsible for working a shift if a replacement cannot be secured.
