June 16, 2025

Incinerator Sand Transport System Replacement
MSD Project No. 2024036

ADDENDUM NUMBER 1

BID DATE: Thursday, June 26, 2025 by 3:00 PM

TO ALL BIDDERS:

This Addendum Number 1 is being sent to all plan holders who have purchased official plans and specifications for the above listed project. Please be advised of the clarifications for the project.

Clarifications

- 1: The fastener schedule listed on plan sheet B-4486-101A page 1/6 states "BY CUSTOMER". MSD will not provide the items listed within the fastener schedule. This shall be the responsibility of the contractor to provide all fasteners per the schedule list.
- 2: The 2" SCH. 40 carbon steel vent pipe shown on plan sheet B-4486-101A pages 5/6 and 6/6 is called out as "BY CUSTOMER" and highlighted in a cyan color. MSD will not provide this piping. This shall be the responsibility of the contractor to provide.
- 3: The new storage silo is to fit on the existing storage silo foundation and fit the existing bolt pattern.
- 4: Slight alternations in the existing pneumatic piping necessary to accommodate the new equipment to become fully operational shall be incidental to the project.

Please acknowledge receipt of this Addendum on the letter written on manufacturers letter head being submitted with the bid. Failure to do so may constitute grounds for rejection of your bid.
